

Modul-System Work light 1150 lm

Technical specification

Part number Description	19760-03 Work light	19761-03 Work light with magnetic base
Total length (mm)	160	160
Total width (mm)	60	60
Total height (mm)	70	65
Weight (g)	450	600
Operating range	10-30Vdc	
Power supply	12Vdc / 24Vdc	
Power	9W (6 x 1.5W)	
Amp draw	0.76A at 12V 0.38A at 24V	0.90A
Lumen (lm)	1152	
Color temperature (K)	6500	
Light spread angle	Flood 90°	
Installation	Pre-mounted bracket for easy installation to the vehicle. 2m twin core cable.	Pre-mounted magnetic base. 4m spiral core cable (when stretched).
Mtrl specification - housing	Die-cast aluminum	
IP	IP67	
Certification	E50-10R-050067 compliant CE and UKCA
