

Modul-System Work light 5200 lm

Technical specification

Part number Description	19763-03 Work light	19764-03 Work light with magnetic base
Total length (mm)	100	100
Total width (mm)	45	45
Total height (mm)	145	130
Weight (g)	630	800
Operating range	10-30Vdc	
Power supply	12Vdc / 24Vdc	
Power	30-54W (Temperature control system)	
Amp draw	5.32A at 12Vdc 2.76A at 24Vdc	
Lumen (lm)	2780-5200 lm	
Color temperature (K)	5700K	
Light spread angle	Flood 90°	
Installation	Pre-mounted bracket for easy installation to the vehicle. 2m twin core cable.	Pre-mounted magnetic base. 4 m spiral core cable (when stretched).
Mtrl specification - housing	Die-cast aluminum	
IP	IP67	
Certification	E50-10R-05.16538 compliant CE and UKCA
